

Modular Sliding Partition

Guard Against Shifting Loads

Added safety and security inside your vehicle

Increase Safety

Durable and rigid barrier separates the driver and cargo area during transportation to avoid injury by shifting cargo

Improve Productivity

Integrated sliding door allows for quick access to the cargo area without compromising valuable space

Protect Inventory

Lockable door handle and integrated dual-position latching system provides added security from theft

PRIME DESIGN™

A Safe Fleet Brand

SAFE  FLEET

Driving Safety Forward™

Modular Sliding Partition

Keep your drivers—and your inventory—safe through the bustle of transportation.

- Solid and Secure Barrier between the occupants in the cab and the cargo area
- Low Profile Design allows maximum seat travel
- Quiet Ride eliminates rattles and cuts noise from the cargo area (Driver Fatigue)
- Improved Climate Control by reducing the space that is cooled or heated
- Increased productivity by reducing the number of trips in and out of the vehicle
- Maximize Cargo Space with slim, compact design
- Easy Installation
